**Wilkes Scholar Program Project Schedule**

As a Wilkes Scholar Program participant, you are required to devise a schedule with your WSP Mentor to determine the number of hours of research you will dedicate to your project over the award period. Students are paid at a rate of \$15/hr. Students may only be paid for the exact number of hours submitted on this form. This schedule must be in writing and signed by both you and your WSP Mentor. Your WSP Mentor will serve as your direct supervisor. Students may not exceed 19hrs/week during Fall and Spring semesters. You may work up to 40 hrs per week during Summer semester if you are not enrolled in classes..
